Words and Music by  
Jonatan Brandström, Wilhelm Dahlof & Eric Liljero

VERSE 1:

**I cannot get my head around  
The fact that You gave Your life for mine  
How come my heart would mean so much  
to You  
That You would go so far for me**

CHORUS:

**Jesus took away my sin  
Jesus made me new within  
My life is now forever changed  
I will never be the same  
Jesus took away my sin, once and for all**

VERSE 2:

**All my mistakes and all my wrongs  
You've been around and seen it all**

Even if I will fail again**

**It might be a broken hallelujah  
Still I will sing because I know  
He is my joy and my salvation  
The only one, I ever need**

**I am alive because of Jesus  
I have a future and a hope  
He is my peace and my protection  
The only one, I ever need**
